

## FLOWER DRUM SONG

There are two versions of the sheet music for *Flower Drum Song*. The first gives credit only to Richard Rodgers and Oscar Hammerstein, 2<sup>nd</sup>. It also has Williamson Music on two lines at the bottom. The second set says who the book is by and who directed the show and has Williamson Music in one line at the bottom. What's the story?

Well, we think when they realized the show was a success they had to give credit where credit was due.

So we think the first edition is the one giving credit only to Richard Rodgers and Oscar Hammerstein.
