## GYPSY

There are several versions of the sheet music for *Gypsy*. They all have 60c preprinted price and the back cover is blank. The first lists Arthur Laurents in black below the composers and has no song list. The second set has Arthur Laurents in red above the composers, no song list and lists Sondheim and Styne below the song title. On the third set, Chappell has moved from the RKO Bldg to 609 Fifth Avenue and it has a song list.
